# The Client - What can we do for You

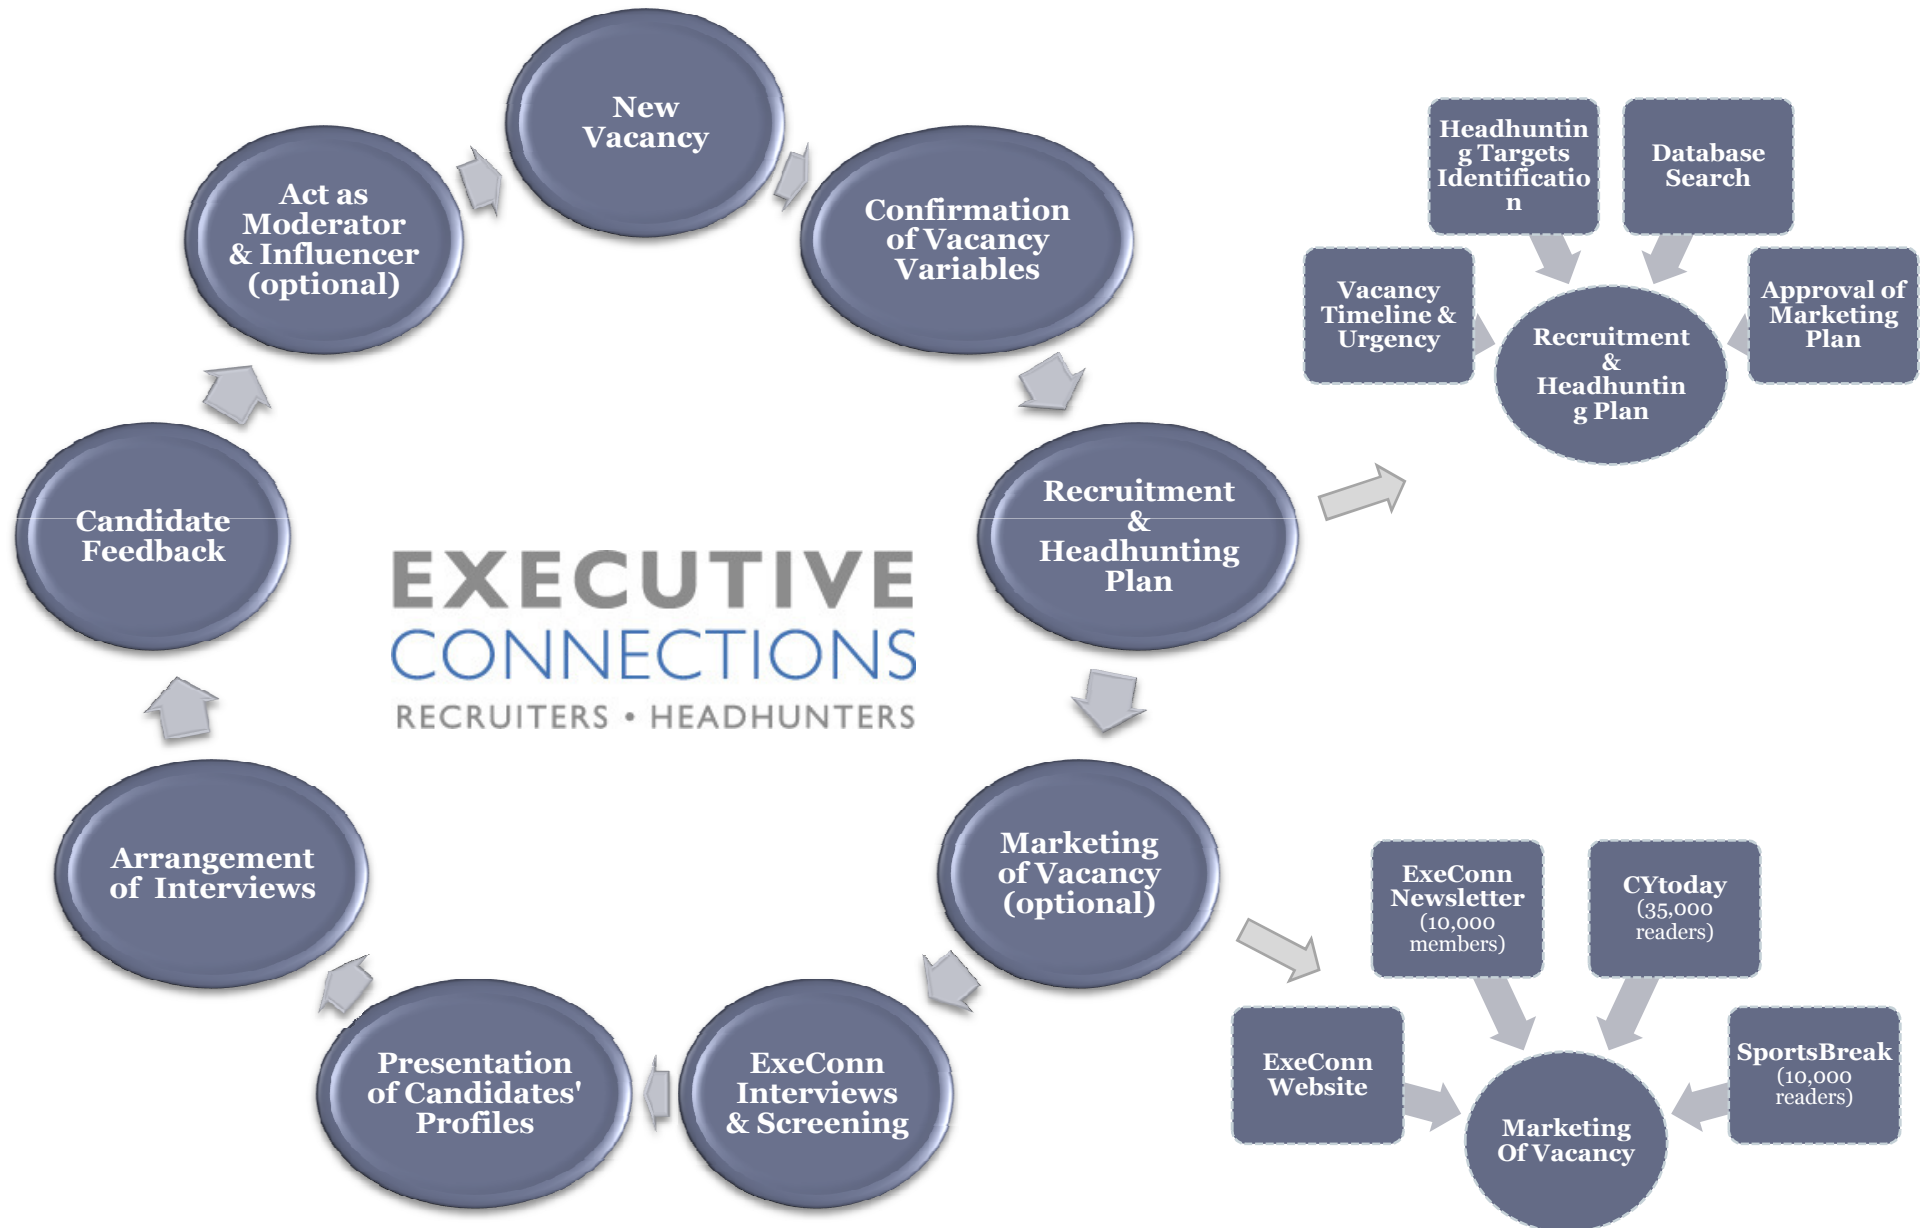

## Local Services

- Multi Level Recruitment & Headhunting
- Executive Level Headhunting
- Vacancy Marketing
- Research & Reporting
- HR Marketing Strategy & Media Plan

## International

- Recruitment & Headhunting of Cypriots for international posts
- Marketing of International Vacancies

# Powerful Recruitment Methodology

# Designated Account Managers

Executive Connections follows a **Key Accounts** system whereby every client is assigned to **ONE** team member, providing the client with a **single point of contact** for ALL needs. The Account Manager will then utilise all available means and resources in providing **World Class Account Service**.

# The Candidate - What can we do for You

## Standard Services

- Include your profile in our database and notify you with new vacancies, market reviews as well as special reports.
- CV Assistance – If we feel your CV is not helping you, we will tell you so. There are cases where we will assist you in even drafting it
- An experienced person to talk to, share your career aspirations and expectations

## Our Way

- Complete & Utter & Unparalleled Confidentiality
- Superior marketing of your profile, which increases the likelihood of an interview
- Interview preparation that goes far beyond the standard practise.
